Introducing the Toolbox Pak

Think of it as a safety lock on your toolbox.

In a market where extension-filled package products have become the norm, Coachman is introducing an innovative alternative for you and your business.

Give yourself the security and peace of mind of our Toolbox Pak.

Designed specifically for one- to two-person operations, our Toolbox Pak is a simple and affordable approach to insurance in a package that is tailored to meet your needs.

You have the tools, we have the coverage!

Protect your hand tools, trade stock and supplies

We're pleased to provide coverage for the items you use to help you get the job done. Whether they are at your premises or the jobsite, you will have the solid protection you deserve.

- Included \$5,000* miscellaneous tools
- Replacement cost on items up to five years old

* Limits can be increased

Protection against liability

We know it's important for you to have adequate liability coverage in place in the event you are found legally responsible for property damage or injuries suffered by another party. Our Toolbox Pak provides a basic limit of \$1 million for liability coverage, which can be increased.

- Premises or business operations
- Products – completed operations
- Independent contractors
- Blanket contractual
- Broad form completed operations
- Business medical payments (\$25,000 per person)
- Tenants' legal liability
- Non-owned automobile liability

For a complete list of all the extensions we offer, please contact your broker.

Optional coverages

- Installation coverage
- Contractors' unlicensed mobile equipment

Do you qualify?

Are you involved in one or more of the operations listed below? Do you gross \$150,000 or less annually? If so, you may qualify for our one-of-a-kind coverage.
